

HP Folio¹³ Notebook PC

Take it with you. We dare you.

For ultra-mobility, the HP Folio¹³ offers a powerful PC experience in an unbelievably sleek and light design.

HP recommends Windows® 7.

Work doesn't just happen at the workplace.

Transform any table, airplane, or park bench into a space for work or play. HP CoolSense automatically adjusts to deliver the optimum level of comfort wherever you decide to set up shop.

Stay mobile.

Look sleek carrying the metal steel gray chassis. The Ultrabook starts at 1.5 kg and has a battery life up to 9 hours¹ – cool, light, and long lasting for ultra-mobility.

Speed you didn't know you could have.

For fast performance and data protection, the latest Intel processor technology plus up to 128 GB SSD² handle your most demanding tasks.

Cinematic Sound.

Enjoy downtime listening to music or watching a movie. It will sound better with Dolby Advanced Audio v2.

Don't let technology stand in your way. Take it with you.

Multiple connectivity options keeps you accessible so you can keep chatting via the HP TrueVision HD³ webcam. Ports you need to share information with friends or co-workers.

A true multi-touch experience.

Get creative with photos or interact with text in an intuitive way. The HP Imagepad supports 1, 2, and 3 finger gestures providing precise and improved gesture responsiveness.

Accessories and Services

HP Elite Slim Top Load Case

HP Elite Slim Top Load Case is perfect for the highly mobile professional with an eye for design. Constructed of leather and heavy-duty nylon, this durable case provides ample storage room for all the business necessities, while maintaining its stylish appearance.

Product number: AX680AA

HP 2.0 USB Docking Station

Skip the hassle of plugging and unplugging your monitor and peripherals every time you take your HP notebook PC with you.

Product number: AY052AA

HP USB Optical Travel Mouse

HP Input/Output devices provide additional desktop functionality for HP Business Notebooks. The HP Optical USB Travel mouse delivers the convenience, comfort, and elegance of optical mouse operation in a miniature size - an ideal solution while on the road.

Product number: RH304AA

HP Mobile USB NLS DVD-RW Drive

The HP Mobile DVD RW provides an external companion optical drive to accompany a laptop or mini that does not have an internal drive. The external drive provides CD/DVD support as well as Read/Write functionality. It connects to the computer through the USB 2.0 port, and an AC adapter is included.

Product number: A2U57AA

HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: UL510E
